5. Review the background styles. Select one that you like. Do not worry, you can always change your style any time.

6. Click **upload** or **add pics & vids** to add the photos you gathered to your presentation.

7. Below is the main Animoto dashboard that you will be using to move pics, add text, captions, music, and preview your presentation.

The screenshot shows the Animoto dashboard interface. At the top, there's a header with the Animoto logo and a user profile icon. Below the header, a teal bar displays 'My Animoto Video' and 'Total video length: 0:35'. On the left, a sidebar contains options: 'Change style', 'Add pics & vids', 'Add text', and a list of editing tools (Spotlight, Rotate, Duplicate, Shuffle, Delete). The main area shows a music track 'Stay With Me' by Jeffery Paul Ciampa. Below the music, there's a grid of image thumbnails including maps, charts, and photos. A dashed box with a plus sign indicates where to add more content. At the bottom left, a 'PREVIEW VIDEO' button is visible.
